Finishing and Mounting

All portraits that are 8x10 or larger will be mounted on photographic paper backing and will also be finished with a smooth, clear, protective finish. All 5x7 and 4x5 portraits will come in folders and also have the protective coating.

Retouching

- * All final prints will be retouched and color corrected.
- * Extensive blemish corrections or glare from glasses may be charged to you.

Professional Quality

- * Don't entrust those 'once-in-a-lifetime' Senior Photographs to an amateur!
- * Your Senior deserves better Service and Quality than going to a friend, relative, or novice photographer.
- * Remember, you get what you pay for!

Payment for Senior Photography

The photography session fee plus tax is due when booking your session. A \$100 deposit is required when the originals are picked up. (This deposit will apply to your order.) A payment of 50% of the balance should accompany your senior portrait order. The balance will be paid in full at the time of delivery.

Portrait Guidelines

We encourage you to bring along any props you may have to make your senior portrait session complete. Things such as sports equipment, special uniforms, musical instruments, vehicles, and even pets, will only add to your senior package. Please make known any of your own or your parent's ideas. We leave the clothing and grooming completely up to your judgement, but if you have questions on these matters please ask.

Authentically You!

We feel each senior is special.
We want to reveal that uniqueness.

Our goal is to capture your style, your fashion.
Personally, Authentically you.
